The Deadly Seducer

'A bold and honest account, Cindy Pivacic shares her story about how she came to contract HIV & AIDS and how she responded to it.

Not only is she living healthy years later, but her vibrant and energetic character has been poured into helping others experiencing the same situation.

Cindy presents talks and workshops on living positively with HIV & AIDS and those, with this book and her online presence, gives her the opportunity to create awareness, give testimony concerning the HIV & AIDS issue, and to assist in de-stigmatising this secret killer'.
